Description Delivered flat in an individual box, it assembles in a few seconds (both ends are joined together thanks to two inserted magnets) and becomes a very useful pen pot. The clock side is ideal to take a black imprint while the other two sides can take pictures or... advertising messages in 1 to 4 colours with a very modest supplement. Print set-up charges apply. Weight: 160g / Colour: 21/silver / Size: 210 X 100 X 17mm Material: ABS satin. Packing: Individual box. Battery LR44 included separately.
